

Thinking about using a satellite internet provider such as Wildblue?

SPEED

Mediastream is **4X Faster!** We offer 6 Mbps as a part of standard internet. Wildblue limits you to 1.5 Mbps.

COST OF SERVICE

Wildblue's service is **\$79.95 per month.** Mediastream's everyday pricing is \$35.95 for our 6 Mbps speed. New internet customers can enjoy the entire first year for **just \$29.95 per month.** Mediastream saves you **\$600/year!** Don't need 6 Mbps speed, but still want High Speed Internet? Try our **High Speed Lite for just \$19.95 per month!**

Activation and Monthly Costs

Activation at Wildblue is \$99.95 PLUS you will pay an additional \$5.95/month for equipment. At Mediastream, you will get a **FREE modem**, new service set-up is only \$14.95 and the only other charge is a \$2.99 modem maintenance fee which includes free equipment replacement and 24 X 7 technical support.

That's a savings of over \$120/year with Mediastream!

Add it up and SAVE!

When you add it all up, the choice is CLEAR!
